Dear Parents and Carers

We don't know if we are imagining it, but schools seem to be getting even more frantic and busy places in recent years. It has been pretty full on this term with many activities taking place in and out of school, and we thank you for all your support with recent visits, sporting events, maths workshops and church services. We feel it is important to pause at times to reflect on what we have achieved so far this year and congratulate our hard working pupils, parents and staff on a job well done. Ultimately we are judged by results, but at Austrey we always encourage pupils to *Live life in all its fullness*.

Ensuring they get the right balance between academic and worldly experiences which contribute to the rounded child.

We hope that you have a healthy and happy Easter, and we will see everyone back at school on **Tuesday 25th April**.

Best wishes

Lee Kilkenny Headteacher

Meg Griffiths Deputy Headteacher

### Parent Meeting

We hope you read the flyer inviting you all to a meeting at **Newton Regis village hall**, to think about how we can increase pupil numbers. **It is tonight and starts at 6.30** and shouldn't last more than an hour. We hope to see you there!

### Easter Service

We hope to see you all at St Nicholas this Friday for the Easter service, it starts at 2 o'clock.

### Charitable Events

Could we just thank everyone who has contributed to all the different charity events this term. Your generosity is amazing, and it doesn't go unnoticed. You are really helping to change the lives of others and as a school that makes us immensely proud. You have raised over £500 for worthwhile charities. We are still collecting Sainsbury's

### Club List

Please find attached to this newsletter the clubs for next term. As always we have tried to add some different and interesting clubs to the mix.

### Culmington Manor Y6 Residential

Following on from the letter sent out last week, the final cost of the visit is **£258**. A deposit of £50 has already been paid so the remainder to pay is £208 asap. There is a second parent meeting in May. **Details to follow!**

### Parking Restrictions

After Easter only members of staff or known visitors to school will be able to drive on school grounds. For **breakfast club** and **after school clubs** you will have **to come in on foot**. We know this might inconvenience some, but we are appalled at some of the driving we have seen recently and someone will be hurt soon. The **pupil's safety** is paramount in this decision, and we hope we have your support in this matter.
