Dear Parents/Carers,

We hope that everyone is well and that you were able to enjoy the fireworks weekend. I saw lots of pupils and parents at the Austrey bonfire it was lovely to see so many of you supporting a local community event. **This term is extremely busy** and as a school we **will endeavour** to fill you in with **as many dates** as we possibly can in good time. Schools are busy places, **but I fully accept** that we need to **get dates out to you much sooner**. Thanks to all those parents and carers **who attended parents evenings**. It ran very smoothly and we received positive feedback about the evening. **If you want to know what your child is covering in the curriculum it is on the website** under Age Related Expectations.

Best wishes

Mr Lee Kilkenny Headteacher

Miss Meg Griffiths Deputy Headteacher

### Culmington Manor

A big thank you to all those parents and pupils that attended **the initial meeting for our Year 6 residential**. Attached with this newsletter is information about **the non refundable deposit and when other payments are due**.

### School uniform

Just a polite reminder that pupils should be **wearing plain black shoes** to school.

### Diary Dates

Some dates on the horizon include...

**Friday 11th November:** Remembrance Assembly for pupils.

**Thursday 17th November:** Children in Need, pupils in **onesies or dressing gowns**. There will also be a cake sale and coffee morning.

**Friday 18th November:** Infant agility at Polesworth High School.

**Tuesday 22nd November:** Academy Photographers in for individual and family photos.

**Tuesday 29th November:** Whole School Theatre trip to Birmingham.

### School Parking

As you all know **parking is extremely tight** around St Nicholas Close. If you have to park on the close **could you please show respect for local residents and not block driveways, especially in case of an emergency**.

### Head Lice Reminder

**Every school** in the country has a constant battle against head lice. Could you **please check hair, treat and recheck**. Even these new treatments might not kill off the nits in one go. The best treatment I found with my children was shampoo, conditioner and a nit comb every night for about 2 weeks. Laborious, but cheap and highly effective. *PTO*
