Heartwood MAT Board

We are currently looking to recruit new members to the Heartwood MAT Board of Trustees. The Board works strategically to direct all four schools in the academy, and is responsible for business and finance as well as maintaining educational standards, and promoting the Christian ethos of the schools. Vacancies are open to anyone who feels that they may have relevant skills to offer. More information about the work of the MAT Board and an application form will be available on the Heartwood MAT website next week (there is a link on the home page of the school website).

Alternatively, if you would like to find out more about what is involved in becoming a Trustee please speak to Mr Kilkenny or Reverend Banks.

FACES

We know that all members of the FACES committee work extremely hard to fund raise and maintain the general upkeep of the school. We also know that thanks to your generosity the pupils and teachers at Austrey are able to ask FACES to support them in buying a range of resources that support teaching and learning around school. They also subsidise and help to support a range of projects at school, which all benefit the pupils at Austrey. As a school we can't thank you enough for this support, especially when we are a small school and funding is always tight. Also we are currently being match funded for certain things, so the money you raise is worth twice as much and we would especially like to thank Mr Bryant-Brown for his help in making this possible.

Sports Events

Well done to all pupils who have recently taken part in sporting events. These include a recent Tag Rugby tournament and Pentathlon. Also thanks to all the parent helpers and members of staff who give up their time to transport pupils to and from events.
