

FACES Events

The hard working FACES team are running a couple of events that they would like school to flag up.

The first is a joint venture between pre school and ourselves and involves a sponsored walk around school grounds. This will be held on more information will be available soon from the FACES committee. The second event is the FACES summer fair which will be held at Austrey School on Saturday 24th June. We haven't had a school summer fair for a while and it would be great to see as many people as possible on the day, so we can show case our school and community off to everyone.

Parking Restrictions

A big thank you to all those parents that are parking outside the school gates when dropping off for breakfast club or picking up for after school clubs. We will also remind Newton Regis parents via text, as they will be unaware of this request.

Partner School Work

As part of our work on British Values we are trying to strengthen links with schools who are different to our own. We want pupils from both schools to understand what it is like to live and learn outside of their local area. With this in mind we have begun to build up links with Acocks Green School in Birmingham. We are looking forward to a great partnership in the future.

Attendance

Thank you to all those parents who support school with attendance. We know that pupils will be ill at some stage through the year and as a school we except that. We work within set guidelines when it comes to holiday within term time, and all holiday requests must be made to school. Punctuality is also key to your child's education and being in school on time allows them to start the day stress free. Our attendance for the year so far is ... Well done to Wagtail class who had 100% attendance last week.

Guitar Club

There are a number of spaces available for guitar club. If anyone is interested will they please contact Mrs Harvey.
