Educational Visit

The pupils in **Owl class** will be going on an educational visit to **Cadbury World** on **Monday 19th September**. This links brilliantly with their first topic. Could all **outstanding monies** be paid to the office please.

Dinners

Just a reminder that dinners are free to **Reception, Year 1 and Year 2 pupils**. For juniors the cost of a school meal is **£2.25 a day (£11.25 per week)** this will be rising to **£2.30 a day after the half term (£11.50 per week)**. If you are entitled to **Family Credit**, please let school know, even if your child is having a free school meal through the Infant free school meal scheme. This is because school receives funding for these children known as **pupil premium** and we can then support your child with payments for some school activities or for educational support and resources using this funding.

Swimming

Just a reminder that swimming starts again on **Friday 16th September**.

Absence

We know children can be ill at some time in the year. If they are **absent from school** could you please **ring the office by 9.30 on the first day of sickness**.

Before School Activity Club

A **daily activities club** is available for pupils of all ages and abilities at school. the club starts at the **new time of 7.45 every morning**. The cost is **£2.50 a session** and is led by **Top Score coaches**. Children can wear **suitable PE clothes** and bring their **uniform to change into**. They will also need to bring a **healthy snack** and a **water bottle** to the sessions.

School Photos

Your children will be **bringing home school photos** that were taken at the end of last academic year. **Ignore the last date for ordering that is printed on them as this is a typo**. Photos can still be ordered in the usual way. If you need further advice please speak to **Mrs Harvey**.

End Of Year Results

Our **2015/16 results** are on the **school website** and we just wanted to reiterate how **well the school did against National Results** across the country. This was especially the case in the **Early Years Foundation Stage, Year 1 phonics test and Ks2 SATs** where our **results at Austrey were above the National**. Well done to the pupils and teachers for all their hard work.
