Dear Parents/Carers,

We hope that everyone is well and that you all managed to have an enjoyable weekend with family and friends.

As the **colder weather finally arrives** could we just take this opportunity to remind you to **ensure that all children come to school suitably dressed**. In the event of an **unavoidable closure** please **refer to the letter** that was sent out **last week**. **A copy of which can be found on the website**.

Thanks for your continued support in all that we do

Best wishes

Mr Lee Kilkenny Headteacher

Miss Emma Thickers Deputy Headteacher

Young Voices

We would like to thank the pupils, staff and parents who recently attended the Young Voices concert. We had a **number of parent volunteers that ferried the children to the venue** and then stayed with **Miss Thickers and the pupils** until late into the evening. We also had many parents who attended the concert on the evening time, and I know all the children really appreciated this. Well done to Miss Thickers, Mrs Barker, Mrs

Mud

We have had a number of complaints in the last few weeks about **children's cloths being covered in mud**. It has been a very wet winter and mud is **unfortunately a result of this**. The children have been reminded to **stay well away from the mud**, and the caretaker has **removed all mud that collected on the playground**.

To stop the younger members of school being hit by mud covered footballs, **Reception and Y1 pupils are in the infant playground for lunch** along with their buddies to look after them. We hope these actions will have the desired effect and cut down on the laundry pile.

Parents Evening

The parents evening for the **Spring term are going to be held on Monday 8th February 3.30-6.30 pm and Thursday 11th February 3.30-6.30 pm**

We hope to see as many of you there as possible so **we can report** on how well your child is meeting the **new curriculum** and what **they need to do** in order to be at **Age Related Expectation** by the end of the year.

Tweak of the week

All staff and pupils will be focusing on for the Tweak of the week.
