

### **What is the PE and sport funding?**

*As of 2013 the government allocated a sum of money to all primary schools to allow for schools and individuals within schools to improve P.E, by whatever means they deemed necessary e.g. through P.E. coordinator and/or staff training, purchasing additional /extra resources, purchasing out of house P.E. services etc. The changes have to be sustainable and leave a lasting legacy rather than being short term fixes that will cease to exist if the funding is stopped. This funding has now been doubled from 2017.*

As a school Austrey has used the funding as part of the sports premium to continue to use a sports specialist company to deliver P.E lessons twice a week to all classes. This ensures each child is receiving high quality PE lessons and continues up skilling teachers by sharing and discussing good practice during and after the lessons. A Sports Coach is also used at school during lunch times, five days per week, working with each class as an 'Inspire to Compete Lunch Club'. The aim of this is to introduce new sports and practice a variety of sport with the classes, supporting them to take part in competitions throughout the year.

**There are a number of factors to take into account when using the sports premium funding, including Ofsted inspection guidance which state the following factors for consideration:**

1. The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
2. The increase and success in competitive school sports
3. How much more inclusive the physical education curriculum has become
4. The growth in the range of traditional and alternative sporting activities
5. The improvement in partnership work on physical education with other schools and other local partners
6. Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
7. The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health

**and the 5 key indicators/objectives from the DfE, which are included in the table of spending on the next page.**

Primary School Sports Premium Awarded	
Total Number of Pupils on Roll (Y1-6)	83
Lump Sum	£16830
Amount received per pupil (£10 x number on roll)	£830
Actual Amount Received	£16830

### Summary of School Sports Premium

#### Objectives 2021/22:

1. The engagement of all pupils in regular physical activity.
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

### Record of spending by item/project

Item/Project:	Cost:	Objectives:	Intended Impact:
Coach Unlimited Sports Provider – 4 afternoons per week. Each class will receive 2 PE lessons per week	£8892	1,2,3, 4 and 5	To ensure a high-quality P.E coach supports staff and children in engaging with high quality P.E sessions. This then supports staff to carry out their own P.E sessions with confidence and ensures all children have access to a good standard of P.E.
Coach Unlimited “Smart Moves Programme”- Intervention for Y1/2 children who did not achieve PD in EYFS and KS2 increase confidence and reliance through sport	£1280	1,2 and 5	Smart Moves is a motor skills development programme using an extensive activity bank related to each of the PE curriculum areas. These activities can be differentiated according to the ability of the child, allowing the children to develop key physical skills at their own pace. It also helps to close the gap between sporting ability so the children who do this small group programme can join in normal PE lessons more successfully. It also helps to build resilience involving the normal physicality of sport, winning and losing
Extra – curricula sports clubs at lunchtime	£4180	1,4 and 5	Children to engage in physical activity at lunch times and prepare for tournaments.
Extra-curricular sports club after school	£988	1,4 and 5	Children to engage in physical activity after school
Golden mile whole school initiative (also provides practice for cross country events)	Within PE lessons	1,2,3,4,5	This allows practice for running events and also helps all children to maintain a healthy lifestyle, including regular exercise.
Subscription to NWPSSA	£700	1, 3 and 4	To allow school engagement with larger events across the county.
Trust – wide Commonwealth Games Project	£722	1, 3 and 4	To allow school engagement with larger events across BDMAT
North Warwickshire Chance to shine Cricket led by Warwickshire CCC	£0	1,2,3 and 4	As above and also supports competitive sports provision.
Dance teacher and Karate teacher to run after - school activities	£0 – we allow them to use our facilities free of charge	1,4 and 5	To allow children to experience different sports outside of PE lessons.

### Sustainability of spending

Teachers teach alongside the sports coaches so that they are developing their skills in a wide variety of sports so they can teach PE confidently themselves. The Smart Moves programme

includes a CD and training materials. This means that the member of staff who is with the sports coaches during these sessions, can deliver the programme in future years or with other groups of children. We will also have the means to train other staff.

#### Summary

Total School Sports Premium Received	<b>£16,830</b>
Money brought over from 20/21	<b>£59</b>
Total for 2021/2022	<b>£16,889</b>
Total Expected Expenditure	<b>£16,767</b>
