

Austrey

Dear Parents and Carers,

Following yesterday's letter, we have some FAQs for you with answers.

What happens if I have children in both KS1 and KS2 at the end of the day?

Please pick up at the later time slot. Teachers will bring the children to you in the KS1 pick up areas.

What happens if I have children in both Reception and Y1/2?

Wait on the field in the reception drop off zone until the teacher collects your younger child, then your older child can walk round to the infant playground/door

What happens at snack time in Reception and Key stage 1?

We have no communication from the school milk and fruit service. Please send your child with a healthy snack for the first few days and we will let you know when we have been updated.

When will before and after school clubs start?

At the beginning of the Autumn term, there will be no before and after school clubs running. The first and most important step is to get ALL children back to school for a full day of learning. During the first few weeks, we will be asking parents if they need these clubs for childcare purposes (if both parents are working outside of the home and no alternative arrangements can be made). We will then decide if these can run safely and let you know as soon possible.

Will my child still need to bring a water bottle each day?

Yes – water fountain will still be out of use.

What happens if I need to pick up my child for an appointment?

Make sure school know in advance so your child can be waiting for you at the main entrance.
