Neighbourhood Watch Meeting - Tuesday 19th January - Austrey C of E School, St Nicholas Close, Austrey - 7pm to 8.30pm.

A Neighbourhood Watch meeting will be held on Tuesday 19th January at Austrey C of E School, St Nicholas Close, Austrey - 7pm to 8.30pm. The local Policing team, Rural Watch & Neighbourhood Watch will be providing crime prevention advice to our community in relation to security around our property. By adopting some crime prevention measures in our area we will hopefully reduce the possibility of being a victim of crime. We believe the key to safer neighbourhoods is a strong sense of community. The first step towards that is to get everyone talking. Why not come and meet your neighbours and share your ideas?

Taking Care Project

This term the children will be taking part in the above programme. All staff have received training to deliver this and it will be part of the PSHE lessons. The aim of the programme is to educate children so they can identify when a situation is unsafe and know how to seek help. There will be more information about the programme next week.

Fire Training Years 1 and 5

On Tuesday 19th January, children in Years 1 and 5 will be visited by members of Atherstone Fire and Rescue Service.

Children in Year 1 will be learning about good and bad fires, how to act in an emergency and how to stay safe.

Year 5 will learn about the Junior Safety Champion Scheme, how to stay safe and making serious 999 calls.

These are extremely important sessions for the children and form part of our safeguarding in school.
