

The Christian Value on which we will focus this half term is kindness. Mrs Eley has sent you a link for the story of the Good Samaritan. In this story we observe true kindness.

A man left beaten and alone at the side of the road receives help and kindness from the most unlikely of sources. Those who we would expect to help, pass him by but the one who is considered an enemy is the very one to stop and show kindness.

During these strange and uncertain times, when our normal routines have been disturbed, can we still find ways to show kindness to others? It is at these very times that kindness is most needed. We may just need to be more creative with how we can express our kindness.

Here is a link to a clip that hopefully can inspire us to show kindness to others:
