Dear Parents/Carers,
Hello everyone and welcome to our first newsletter for a little while. As always we hope that you and your family are well and that you had a lovely Bank Holiday. We can let you know that Year 6 and Year 2 have approached their SATs with real confidence and composure, and they are a credit to you. We will not know how they have done compared to all children Nationally for a little while yet, but once we do you will obviously be informed. We are sharing some key dates on this newsletter, for your diary that will hopefully take us up to the end of the year.
Best wishes
Mr Lee Kilkenny Headteacher
Miss Emma Thickens Deputy Headteacher

Sports Update

A huge well done to our mixed Year 1/2 football team that took part in a competition recently against other local schools. The children never gave in although they found some of the games very difficult, due to the fact that they were mainly playing Year 2 teams. The parents who came to support were brilliant and Mr Kilkenny and Mrs Harvey thoroughly enjoyed the afternoon.

Parent Questionnaires

If you would be so kind as to fill in and return to school questionnaires on PE and maths that have come home with pupils tonight. These will allow us to plan future actions going forward.

Wow Day

Everyone is very much looking forward to the Science Wow Day that has been planned for Tuesday 17th May. We will all be involved in some great scientific enquiries that day.

Forest Schools

The Reception and Year 1 pupils will be taking part in Forest School activities on Friday 20th May at Austrey. They will need to bring with them suitable outdoor clothing for this event.

Good Behaviour Celebration

On Thursday 26th May we will have our next Behaviour Celebration. We will be having a movie afternoon and treats. will be provided by Mr Kilkenny. The pupils really enjoyed last terms celebration.

Please see attached sheet for up and coming dates.
